We believe you are at the top of your profession and will recommend your services to anyone that we know may be buying or selling a home in the Twin Cities area."

"You have been involved in four real estate transactions with us spanning 11 years, and I must admit that we have been nothing less than totally satisfied with your professional services."

"You display a high degree of professionalism, integrity and have an extensive knowledge of the market."

"As a family that has relocated five times, we've worked with a number of agents all over the country. You rank #1 in our experience as a person of honesty, integrity, calmness, and organization."

"I would like to express our appreciation for the manner in which you handled the entire real estate transaction. From inception where you prepared an in-depth local market analysis prior to our first meeting through representing us at closing, your manner was cordial and your conduct thoroughly professional."

"Your expertise of the market dynamics was only exceeded by your conscientious professionalism."

"Now that the transaction is completed, I would like to thank you and Kay for all of the work you put into the sale of our home. Jerrlyn and I felt like we were part of your team as you put together the strategy for selling our house."

"With Rich's professional expertise, we were able to correctly market our home for a fast sale – one which was well organized and relatively pain free for us."
